# PRESIDENT'S MESSAGE

Twenty eight teams from 14 grades will be on show this Saturday contesting premiership honours, a fitting end to the 77th year of the WAAFL.

Congratulations to all clubs, players and officials who have worked hard to reach this day. Supporters of all teams will know doubt be urging their respective players on to achieving the ultimate dream, they like, the combatants are an important part in the continued growth and stability of Amateur Football.

The Amateur League continues to play a major part in community based football. Several of those participating today will no doubt graduate on to higher honours either at Westar or AFL level.

In 1998 four clubs, Marangaroo, Mosman Park, Kingsley and Metro Christians joined the WAAFL and had mixed success. Balcatta amalgamated with Osborne Park. Old Guildfordians fell by the wayside. While several clubs added extra teams this all added up to the largest number of clubs (46) with 148 teams in the Leagues history with over 3300 players plus officials in action every weekend.

This is a great organisation that in the main is run by a dedicated staff under the direction of E.O. Neil Judge plus a Board of Management who act in a honorary capacity along with Independent Tribunals, Investigation Committee, Umpires Appointment Board. What we see today on the various ovals is only a small part of the whole set up. Any person associated in any capacity with Amateur

Football should be congratulated and sincerely thanked for their efforts.

The men in white (there would be no game without them), like all players are chosen on merit and we wish them the best.

To all those players who won the WAAFL individual awards, congratulations, they have joined a long list of past winners.

At the conclusion of today's Grand Finals all winning teams will be presented with the Premiership Pennant and players with a premiership medal to help commemorate their victory. Enjoy the moment as premiership success does not come easy or everyday.

**John Davies**  
President

### West Australian - 21st March 1922

#### History of this League

- Formed in 1922 with five teams as the Mercantile Football Association
- In 1924 name changed to Perth Districts Football Association
- 1929 changed name to W.A. Amateur Football Association
- In 1971 the name was changed to the W.A. Amateur Football League (Inc).

### BACKGROUND TO AMATEUR FOOTBALL

In 1998, The WAAFL will be in its 77th year of operation, having sustained its existence through the war years and the turmoil in the football industry during the 1980s.

The league has grown from a four team competition to the largest single organised football League in WA catering for over 7000 registered players between the ages of 18 years and 35 years, as well as considerably more volunteer personnel and social supporters.

The WAAFL is an important part of the metropolitan based community football with the stringent amateur standard set down by for players.

The WAAFL is a member of the Metropolitan Football Leagues Council (other members are Sunday F.L., Peel F.L., Superules and Women F.L.)

With 46 clubs, 150 teams and over 7000 registered players, The Western Australian Amateur Football League is the largest single football League in WA.
