PRESIDENT'S MESSAGE

This Saturday marks the end of our 78th football season with grand finals in 15 grades.

Thirty clubs, hundreds of players and officials as well as all field, goal and boundary umpires have worked hard to be out on the ground in the main event of the year. Congratulations to all who have achieved that goal of "being there" in that one day in September where their entire season is on the line.

All amateur clubs started the new millennium with great aspirations, high expectations and ideas. Even the teams who did not achieve what they set out to attain have helped achieve other goals, these include organising amateur sport in their various localities, providing a great social and sporting outlet at no cost to those communities by the clubs' volunteers. Life long mateship will have been formed, whilst setting standards of behaviour, sportsmanship and team building. Clubs have also helped foster our great Australian game at the same time providing young players a chance to participate and move onto higher levels.

Sincere thanks to all those administrators and players by their ongoing efforts and energy have not only helped their own clubs but have continued to enhance the Western Australian Amateur Football League and make sure it remains strong and vibrant at grass roots levels.

To all players who won individual WAAFL awards, congratulations. You have joined a long and illustrious list of previous winners.

Many players have also tasted success at inter league level this season with victories posted by our senior and colts representative teams.

Teams participating in today's premiership games come from all parts of the metro area, further showing the wide extent amateur football is played.

This is a great organisation that is run by a dedicated staff under the direction of Executive Officer Neil Judge plus a Board of Management who like club administrators act in a honorary capacity along with independent tribunals and investigation committees. What we see today at the various ovals is only a small part of the whole set up.

Premiership winners will be presented with the traditional pennant along with individual medals at the conclusion of their grand final. Participating umpires are also to be thanked for achieving the pinnacle of a season's effort.

Enjoy the moment and savour the memories as reaching the ultimate goal does not come along easily and regularly.

John Davies
President

GRAND FINAL PRESENTATIONS

After the "A" Grade Grand Final the winning team will be presented with the Premiership Pennant and Players given Premiership Medallions. The Fairest and Best player in the game will be awarded the

BARNEY GILES MEDAL.

At all other games a member of the W.A.A.F.L. Management Committee will be presenting the Premiership Flag and Premiership Medals to the players of the winning teams.

West Australian – 21st March 1922

History of this League

- Formed in 1922 with five teams as the Mercantile Football Association.
- In 1924 name changed to Perth Districts Football Association.
- 1929 changed name to W.A. Amateur Football Association.
- In 1971 the name was changed to the W.A. Amateur Football League (Inc).

BACKGROUND TO AMATEUR FOOTBALL

In 2000, the WAAFL will be in its 78th year of operation, having sustained its existence through the war years and the turmoil in the football industry during the 1980s.

The league has grown from a four team competition to the largest single organised football League in WA catering for over 7000 registered players, as well as considerably more volunteer personnel and social supporters.

The WAAFL is an important part of the metropolitan based community football with the stringent amateur standard set down for players.

The WAAFL is a member of the Metropolitan Football Leagues Council (other members are Sunday F.L., Peel F.L., Superules and Women F.L.).

With 45 clubs, 150 teams and over 7000 registered players, The Western Australian Amateur Football League is the largest single football League in WA.

W.A. AMATEUR FOOTBALL LEAGUE (INC) – OFFICIALS 2000
