## PRESIDENT'S MESSAGE

John Davies,  
President

This Saturday 30 teams from 15 grades clash for Premiership honours in yet another successful WA Amateur Football League season.

Best wishes to all players, coaches, club officials and supporters of all teams reaching Amateur footballs biggest day of the year. Umpires, like all players are chosen on merit and we know that they will, like all the combatants be putting in their best efforts. Some clubs will be trying to achieve initial Premiership success while others will be trying to add to their record of achievements.

The WAAFL is a great organization that continues to be run by a Management Committee who acts in an honorary capacity along with Independent Tribunals and Investigation Committees. I wish to thank all those people like club officials who give so freely of their time and energy to make sure that Amateur football is kept alive, well and kicking,

covering a majority of the suburbs of the metropolitan area. In the International Year of the Volunteer we salute you.

To all those individual players who have won WAAFL player awards, to West Coast Cowan for winning the Champion Senior Club Award, to Willetton and Trinity Aquinas who were joint winners of the Champion Colts team; congratulations.

2001 saw WAAFL Executive officer, Neil Judge leaving after 49 years service to football. He served the Amateurs well for 15 years and we wish him all the best in his retirement. His replacement Bob Stow has big shoes to fill and we know he will be a more than adequate replacement. Many thanks to our office staff for their input over the season.

Once again, at the end of today's Grand Final all winning teams will be presented with their Premiership pennant and players with a Premiership medal to make the victory a memorable one. Enjoy your football on Grand Final day whether playing, officiating or just watching and thank you for your support of grass roots, community football; it's a great game.

## DIRECTOR OF UMPIRES

Mike Ball  
Director  
of Umpiring.

This will be my final Grand Final Report for WAAFL Umpiring. In doing so I would like to thank all those who I have been involved with over the past 5 years at the League, namely the office staff, the Board umpires, coaching staff and the umpires themselves field, boundary and goal.

This season saw a change in how umpires were advised of appointments, namely the Website

plus all field umpires from A-E grade were neutral for the first time. The concept is a good one, which can be further enhanced, and also be extended down to G grade.

Overall the season has been a sound one from all aspects, the only disappointment being the lack of numbers at training. In future years I hope this can be addressed so the standard of umpiring can improve.

In conclusion I wish all today's Grand Final teams and umpires the best and all involved have a fantastic day.

## SALUTE TO NEIL JUDGE JP

After 15 years of untiring service to the WA Amateur Football League from 1985, Neil Judge retired from the Executive Officer position at the end of June this season.

He came to us with a great record in football. Starting his 49 years of football administration as Secretary of the Mt Hawthorn JFC (1950-1956).

**Other roles included :**  
Treasurer, Metropolitan JFA (1956-1960).

West Perth FC (WAFL), Assistant Secretary (1960-1963), then again in an honorary capacity from (1965-1973). From 1973 till 1985 held the position of WAFL Secretary. His many roles there included Umpires Board Secretary, ground maintenance supervisor at Subiaco, Leederville and Lathlain Ovals. Licensee/Bar Manager WAFL Members Club (1973-1983). Secretary Country Football League (1973-1985). Honorary Auditor of Country Football League (1985-1999).

From 1976-1989 was team manager of WAFL State and Carnival teams.

His record as Executive Officer of the WA Amateur Football League covered countless roles outside the normal duties expected and required. As an honorary auditor of the WAAFL Umpires Association for numerous years he is now the Patron of that Association.

Neil has indeed served the Amateur Football League well and we thank him sincerely and wish him well in his retirement.

However, his association with us is not finished, as he has accepted an appointment (along with past President, Don Baker) to complete a history of the WAAFL.

If you see him visiting any club during the season invite him in for an after game drink.

Thanks "Grumpy" from all in Amateur football.

## GRAND FINAL PRESENTATIONS

After the "A" Grade Grand Final the winning team will be presented with the Premiership Pennant and Players given Premiership Medallions. The Fairest and Best player in the game will be awarded the

### BARNEY GILES MEDAL.

At all other games a member of the WAAFL Management Committee will be presenting the Premiership Flag and Premiership Medals to the players of the winning teams.

# BACKGROUND TO AMATEUR FOOTBALL

## West Australian – 21st March 1922

### History of this League

- Formed in 1922 with five teams as the Mercantile Football Association.
- In 1924 name changed to Perth Districts Football Association.
- 1929 changed name to W.A. Amateur Football Association.
- In 1971 the name was changed to the W.A. Amateur Football League (Inc).

In 2001, the WAAFL will be in its 79th year of operation, having sustained its existence through the war years and the turmoil in the football industry during the 1980s.

The league has grown from a four team competition to the largest single organised football League in WA catering for over 7000 registered players, as well as considerably more volunteer personnel and social supporters.

The WAAFL is an important part of the

metropolitan based community football with the stringent amateur standard set down for players.

The WAAFL is a member of the Metropolitan Football Leagues Council (other members are Sunday F.L., Peel F.L., Superules and Women F.L.).

With 46 clubs, 152 teams and over 7000 registered players, The Western Australian Amateur Football League is the largest single football League in WA.
