PRESIDENT'S MESSAGE

Congratulations and best of luck to all clubs, coaches, players, tireless officials and off field personnel acting in voluntary capacities who are involved in finals over the next two Saturdays.

Supporters of amateur football will no doubt be in full force to either urge on their respective teams or to just observe the best two teams in each of the fifteen grades chasing premierships success.

Some clubs will be striving to achieve rare premierships pennants while others will be trying to add to their record of achievements.

Our best and most consistent umpires will be rewarded by officiating in the main games of the 2007 season.

Community football continues to play an important role in the overall development and participation of our unique game. We cannot underestimate the role that football plays in the development of strong and healthy communities. There are also benefits to social, family and individual participants.

Teams taking part in the Grand Finals on Saturday 15th and 22nd of September are from all parts of the metropolitan area, showing the general football public how wide spread the Western Australian Amateur Football League extends.

On behalf of the Board, many thanks to all those administrators and players from all the 43 clubs, as their ongoing efforts and energy have not only helped their own clubs but have continued to enhance the WAAFL and make sure it remains strong and continues to be a vibrant part of grass roots football.

The WA Football Commission has supported us greatly to make the task of running amateur football easier and more efficiently with their great support in administration and financial areas.

On going partnerships with Foster's Australia via the provision of product and finance to the clubs and league is appreciated. Without this, many of our clubs' administrators would find it difficult provide balanced budgets and maintain services to their players and supporters.

The West Coast Eagles continue to provide resources to our entire Colts competition and underwrite our state under 23 team. Their support has allowed our young players to compete at inter-league and interstate games where they can take that greater experience back to their clubs or go onto play at the next level of football. West Coast Eagles are good for WA footy.

Fellow sponsors Park Auto Centre, Cougar Sportswear, Sherrin, Beiersdorf, Toyota Autoparts, Rebel Sports, Office National Booragoon and Key Start Home Loans all contributed and helped in our endeavours to continue to make our competition affordable.

Congratulations to the Fairest and Best winners in our 15 grades, top goal scorers in A and B grade, the under 23 and under 19 state players, coaches and staff and the eight WAAFL players selected in the All Australian Under 23 Amateur team who will be playing the North Tasmanian Football League team in early October.

The elected volunteer members of the of the Amateur League along with CEO Brendan Cullinan and all staff continue to work in the best interests of the clubs, by providing professionally organised competitions for all levels of ability. Their efforts have enhanced the image of the league both within and outside the football family.

Enjoy Grand Final day, whether playing, officiating or just watching and thank you for your support of grass roots, community football – it's a great game!

John Davies
President WAAFL

VALE DOUG FRAME

On behalf of the Board of the Western Australian Amateur Football League, I extend sincere sympathy to Kay, Rachael, Helen, Doug Jnr and their families on the passing of their Father, Doug.

Doug had a long and distinguished association with the Amateur League as a player, administrator and umpire.

Prior to playing Aussie rules he represented W.A. three times in junior rugby.

In 1960 he began with the Bayswater Amateur Football Club where he was a player and a coach. He played 268 games and at the same time serving on the Clubs' Committee and Executive for 21 seasons.

Doug was elected to the Western Australian Amateur Football League Management Committee in 1976 until stepping down in 1999.

He served on numerous subcommittees including club permits, state football, ground fixtures and umpires. He was a State Team Assistant Manager in 1981 and 1982 and State Selector for four seasons (1980-1983).

For his services Doug was elected a Life Member of the League in 1986.

In 2000 he was awarded the Australian Sports Medal by the Australian Government for his services to Australian Rules Football.

For numerous seasons Doug and his family had the daunting role of organizing all finals gate keepers which was carried out in a thoroughly professional and diligent way, earning great respect from the executive of the League and Club Officials.

During his period serving on the Management Committee he also officiated weekly as a goal umpire reaching A Grade and state level consistently. He spent countless hours waving flags amassing over 800 games, continuing until a few weeks before his passing.

With Doug you got what you saw, an honest straight down the middle bloke. Not tall in stature but looked you straight in the eye at all times. He was not the most eloquent speaker but spoke from the heart when he felt strongly about an issue. Coming from a working mans' background he could mix equally with people across all levels.

A top class tradesman by profession, he would do any amateur football task, always carry it out in his own thorough way without fuss or grandstanding but at the same time not seeking any pats on the back or rewards.

He had a great sense of humour but not at the expense of others. Many of us at interstate football games enjoyed his company, share a laugh, have a social drink and talk about the game.

Doug's contribution to amateur football was long and meritorious. People like him have made out great game what it is today.

He is now with his other great love... his wife Nancy who I know he missed greatly since her passing.

'Framey', you will be sorely missed around the various venues. Thanks for your contribution to our community and our sport. You have left your mark.

John Davies

WEST COAST EAGLES U 23 STATE AMATEUR PROGRAM

This years state program saw the continuation of the modified selection criteria where only players 23 years of age and under were eligible to represent our competition.

Being the third and final year of the Triennial Series between the three major amateur football states Victoria, South Australia and Western Australia, all states were in with a chance to win the series depending on the results.

This year games were in Adelaide and with WA having never beaten the Croweaters in their home state, the task ahead of us was daunting.

Once again the foundation of this years squad was made up of players who were still eligible from the 2006 and in some cases the 2005 sides, yet over 80 invited players attended the seven week training program at Claremont Showgrounds.

As it does with any representative side, a huge emphasis was placed on talent along with commitment to the program and match day club performances. Prospective players were being monitored by a team of dedicated selectors along with their respective club coaches who offered essentially required quality feedback.

Besides the numerous training sessions, there were the annual night games against the WA State Country open age squad and the Sunday League under 23's squad, where a narrow loss to the country and a narrow win against the Sunday league were recorded. Both lead up games were very important in our preparation and selection strategies to take on the formidable South Australians.

With a fair amount of rain in Adelaide in the lead up to the match, the ground, which was 6 meters longer than Subiaco Oval, was in reasonable condition.

The first quarter saw a fairly even tussle with WA playing solid direct football and if not for some poor kicking for goal we should have lead by more than the 9 points at the first break. It was a very physical game yet the WA boys more than held their own and with full forward Blake Ingersole providing a tall target up forward along with lightning quick Andy Piccoli pouncing on anything that hit the ground, WA had started well.

The second quarter was a different story with the stronger bodied South Australians holding their feet much better in the sloppy midfield where they began to take control of the match. SA dominated the second term kicking 5-8 to just 2-1 and went into the long break 16 points up.

After half time a number of the WA boys lifted, in particular Captain Kane Loxley who kicked 2 great goals, Guy Boudville, Brad Wedgewood and Kris Thompson who were in everything and Dan Hunt and Scott Ward who were resolute in defence.

It was a magnificent fight back with WA hitting the front with minutes to go in the third quarter but to the South Australians credit they fought back kicking a goal on the siren.

The final quarter was true desperation with both sides throwing themselves into the contest without fear or favour and to South Australia's credit they finished the stronger and ran out worthy winners.

South Australia would go onto beat the Victorians convincingly a month later to take out the Tri Series with Western Australia finishing a very creditable second.

WA	4	2	2	313	302	8
VIC	4	1	3	268	352	4

From a coach's perspective I was most pleased for the eight WA players who were awarded 'All Australian Honours,' having been selected over the past two years games, to represent the All Australian Amateurs against an open age Tasmanian State side in October. This is a real reward for the best players in our competition and hopefully it will inspire more players from more clubs to try out for future State squads.

Finally I'd like to sincerely thank John Davies and his Board for once again showing faith in me this year and in particular Chief Executive Officer, Brendan Cullinan, State Team Coordinator, Peter Grosser and Mr Fixit, Geoff Palmer, whose tireless support has been fantastic.

I'd also like to thank my own team who have been with me throughout the past four years and are significant in the success achieved, Assistant Coach/Selectors Andrew Maiorana, Trent Cooper and Kym Robertson, Chairman of Selectors Glenn Stephens, Property Man Extraordinaire Guy Ziati and Runner Rob Durant.

In closing special mention must go to all the players, coaches and their WAAFL clubs as without their input and support, State Representative Amateur Football wouldn't be as alive, vibrant and competitive as it is today.

BACKGROUND TO AMATEUR FOOTBALL

- Formed in 1922 with five teams as the Mercantile Football Association
- 1924 - name changed to the Perth Districts Football Association
- 1929 - name changed to the WA Amateur Football Association
- 1971 - name changed to the WA Amateur Football League (Inc.)

In 2007 the WAAFL is in its 86th year of operation, having sustained its experience through the war years and the turmoil in the football industry in the late 1980's.

With 43 clubs, 158 teams and over 10 600 registered players, the Western Australian Amateur Football League has grown from a four team competition to the largest single organised football league in WA, catering for players from the age of 16 years, as well as considerable volunteer personnel and social supporters.

The WAAFL is an important part of the metropolitan based community football with the stringent amateur standard set down for players.

The WAAFL is a member of the Community Football Council with other members including the Sunday Football League, Peel Football League, West Australian Football Association, WA Masters Football, Women's Football League and Mercantile Football Association.
